CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, Adeline Dontenville, REDD+ expert at the EU REDD Facility of the European Forest Institute (EFI), hereby certify that the company SalvaTerra SAS, based in Paris, France, completed all required tasks relating to the mission *Support to the creation of the GICET N'sia mala mala agricultural cooperative in DR Congo* between *March 2015* and *September 2015*, for a total amount of *48 865 Euros*.

The tasks were as follows:

- *Mapping of 10 000 ha of pre-identified land in the Plateaux District, province of Bandundu,*
- *Analyses of land-use cover and land-use change using Landsat 8 satellite images for 2014 and Spot 5 for 2010, with the technical support of the EU Joint research centre,*
- *Estimation of change in carbon stocks between 2010 and 2014,*
- *Evaluation of the agricultural potential and technical barriers (water availability, accessibility, etc.) for each land, and suitability for agroforestry production,*
- *Business plan 2015 – 2027 including installation, harvesting and transformation, transport, marketing and other transaction costs and revenues,*
- *Revision of institutional arrangements, including the revision of the incorporation statutes and evaluation of the share capital.*

I confirm that the tasks carried out by SalvaTerra SAS were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. My organization is satisfied with their performance, as well as professionalism and flexibility in completing the above-mentioned tasks. Salva Terra's extended knowledge of DR Congo and the Plateaux District was a clear added-value.

The certificate is issued to SalvaTerra SAS upon the company's request, to assert its right.

Adeline Dontenville
