CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, Ivo Mulder, REDD+ Economics Advisor at UNEP at the time of the project, hereby certify that the company SalvaTerra SAS, based in Paris, France, completed all required tasks relating to the mission ***Opportunities for improving efficiency in forestry operations and forest product processing in Kenya*** between ***March 2015*** and ***September 2015***, for a total amount of ***89,076 USD***.

The tasks were as follows:

- *Research of current efficiency and recovery rates in forestry operations (logging), timber processing and production and use of biomass energy (charcoal production, tea and tobacco curing processes, brick making and in cooking),*
- *Research of globally available, tested and readily available efficient technologies and methodologies for forestry operations (logging), timber processing, charcoal production, brick making (firing) and cooking stoves and the procurement and installation costs of these options,*
- *Estimate potential environmental, including carbon, and socioeconomic benefits and costs of replacing current technology with available state of the art technology,*
- *Compile a report on the findings,*
- *Present findings to Kenya's REDD+ Technical Working Group.*

I confirm that the tasks carried out by SalvaTerra SAS were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. My organization is satisfied with their performance, communication and the timely delivery of the outputs. The report may potentially have an interesting contribution to the REDD+ process in Kenya

The letter is issued to SalvaTerra SAS upon the company's request, to assert its right.

Ivo Mulder
