CERTIFICATE OF GOOD COMPLETION

To whom it may concern

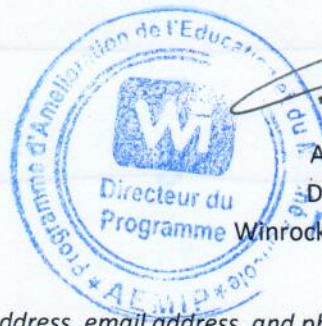

I, Andrew KOVARIK, Director of the Winrock International "Agriculture Education and Market Improvement Program (AEMIP)" at the time of the mission, hereby certify that the company SalvaTerra SAS, based in Paris, France, completed all required tasks relating to the mission "Training on Climate Smart Agriculture (CSA) practices and tools" between the 14th of February 2017 and the 5th of April 2017, for a total amount of US\$ 32 819.

The tasks were as follows:

- *CSA training material preparation based on the latest information available : PowerPoints presentations, short videos, selected technical and scientific reports and publications ;*
- *Training on the CSA concept, its good practices and technologies adapted to the Guinean context. Presentation of various evaluation/prioritization tools and methodologies related to CSA ;*
- *Technical and scientific support to participants in the design of regional CSA plans.*

I confirm that the tasks carried out by SalvaTerra SAS were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. My organization is satisfied with their performance and the consultant Mr. Anis Chakib showed exceptional levels of professionalism in difficult working conditions. Participants at the training were completely satisfied with the training, presentations and practical working sessions and want to receive follow up trainings with SalvaTerra SAS and Mr. Chakib.

The certificate is issued to SalvaTerra SAS upon the company's request, to assert its right.

Andrew KOVARIK
Director of AEMIP
