

CURRICULUM VITAE – Ludwig LIAGRE

Founder / International consultant at GEiCO e.i.r.l
Green economy & International cooperation
www.geico-consult.fr

8 years experience

Ludwig.Liagre@geico-consult.fr ; +33(0)612274321

1. **Family name:** LIAGRE
2. **First names:** Ludwig
3. **Passport holder:** French
4. **Residence:** Paris, France

5. Education:

Institution (Date from - Date to)	Degree(s) or Diploma(s) obtained:
Collège des Ingénieurs (2009)	MBA - Master of Business Administration
ParisTech (2007-2008)	MSc in Environmental Economics
AgroParisTech – ex-INA-PG (2004-2007) Incl. Erasmus semester at Humboldt University, Berlin	MSc in Agricultural and Environmental Sciences
Classes préparatoires aux Grandes Ecoles – BCPST (2002-2004)	Eq - BSc in Biology and Geology

6. Language skills: Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
French	Mother tongue		
English	1	1	1
Spanish	1	1	2
German	1	2	2
Arabic	5	5	5

7. Present position: International consultant

Curriculum vitae

8. Key qualifications / Fields of experience:

Thematics : The Economics of Ecosystems and Biodiversity (TEEB); Environmental finance for biodiversity and forests; Economic valuation of environmental goods and services; Access and Benefit-Sharing (ABS / Nagoya Protocol); Environmental governance; Reducing Emissions from Deforestation and Forest Degradation (REDD+); National Forest Funds; Payments for Ecosystem Services and compensation mechanisms; Regional and National financing platforms for biodiversity and forests; Green Economy; Climate Change Adaptation and Mitigation; Ecosystem-based Adaptation (EbA); Synergies between Rio-conventions (CBD, UNFCCC, UNCCD); Economic, Environmental and Social valuation of impacts of development projects; National Parks Management; Sustainable Forest Management; Agriculture and Rural Development; Corporate Social Responsibility (CSR).

Skills : Policy advice; Institutional development; Project design and management; Project evaluation; Team coordination; Event organization and facilitation; Coordination of studies; Design of financing platforms; Writing of professional reports and academic publications; Presentations in conferences and workshops; International cooperation and development aid instruments and procedures (financial and technical cooperation); Donor coordination; Communication with media (tv, radio, press).

9. Country experience:

Country	Date from - Date to
Algeria	3 weeks mission per year between 2010-2014
Australia	Mar-Sep.2007
Brazil	June 2012
Chile	Aug. 2006-Feb.2007
Costa-Rica	Jan. 2013; Apr. 2014
Egypt	Mar. 2011
France	Jan-Oct. 2009; June 2014 (ongoing)
Germany	Apr-Dec. 2008; Nov-Dec. 2009; Jul. 2010
Italy	Oct. 2010; Sept. 2012; June 2014
Lebanon	3 weeks mission per year between 2010-2014
Morocco	4,5 years residency from Jan. 2010 to May 2014
Tunisia	3 weeks mission per year between 2010-2014
Turkey	3 weeks mission per year between 2010-2014

10. Professional experience

Date	Since 06/2014 – ongoing
Location	Based in France, Middle East North Africa
Client/ company	German Development Cooperation (GIZ)
Position	International consultant, GEicO www.geico-consult.fr
Description	<p>Examples of missions :</p> <ul style="list-style-type: none"> • Designing a Regional Financing Platform for forests, biodiversity and rural development in the MENA region. Benefitting countries : Algeria, Lebanon, Morocco, Tunisia, Turkey, partner countries of the Collaborative Partnership for Mediterranean Forests (CPMF). • Advising the development of the « Partnership for Moroccan Forests » and the « Pact for a Green Tunisia ». • Facilitating the exchange of good practices on PES between Morocco and Costa Rica (FONAFIFO).

Date	11/2013-05/2014
Location	Morocco, Costa Rica
Client/ company	German Development Cooperation (GIZ)
Position	Senior political and technical advisor (<i>International staff, full-time</i>)
Description	Advisor in Payments for Ecosystem Services in the framework of a triangular cooperation project Morocco-Costa Rica-Germany (0.9 M Eur) : exchange of PES good practices between Morocco and Costa Rica, in particular between the "Partnership for Moroccan Forests" and the FONAFIFO.

Date	10/2010-05/2014
Location	MENA region, based in Rabat, Morocco
Client/ company	German Development Cooperation (GIZ)
Position	Senior political and technical advisor (<i>International staff, full-time</i>)
Description	<p>In the framework of the Regional Program "Adapting Forest Policy conditions to Climate Change in the MENA region" (Budget: 7.5 M Eur) in the framework of the Collaborative Partnership on Mediterranean Forests (CPMF), in partner countries: Algeria, Lebanon, Morocco, Tunisia, Turkey under the umbrella of the network Silva Mediterranea/FAO. Project website : http://www.giz-cpmf.org/</p> <ul style="list-style-type: none"> • Supported the development of innovative financing mechanisms for the forest sector (supervising a cost-benefit analysis of the REDD+ mechanism for Morocco ; launching a regional study for the positioning of CPMF partner countries in the REDD+ international debate ; initiating and advising the design of a national public-private platform for forest financing in Morocco/Tunisia, based on voluntary payments of moroccan/tunisian companies in the framework of their CSR policies : « Partnership for Moroccan Forests »/ « Pact for a Green Tunisia »). • Operated as lead organizer of several international workshops and conferences related to biodiversity finance and economics : • Workshop "Sustainable financing mechanisms for the forest sector in the Middle East and North Africa" (Rabat, Apr. 2013, 30 participants), in partnership with FAO/Forest financing division and the Global Mechanism of the UNCCD;

Curriculum vitae

	<ul style="list-style-type: none">• Workshop “The Nagoya Protocol and Access and Benefit-Sharing : example for the implementation of NBSAPs” (Algiers, Apr. 2013, 35 participants), in partnership with the CBD Secretariat and the ABS capacity development initiative for Africa;• Conference “The Economics of Ecosystems and Biodiversity: recognizing and capturing the value of forest ecosystems services in the MENA region” (Tunis, June 2011, 150 participants), in partnership with WWF;• Side-event at the United Nations Conference on Sustainable Development (Rio+20): « Mediterranean Forests for Development: A key for adapting policies, territories and societies to climate change in the MENA region” (Rio de Janeiro, June 2012, 100 participants), in partnership with FAO/Silva Mediterranea.• Co-organized the first TEEB capacity-building workshop in the MENA region in partnership with UNEP/TEEB, the CBD Secretariat, UNESCWA and the League of Arab States (Beirut, Feb. 2012, 80 participants).• Wrote and communicated policy guidance on forest financing strategies, e.g. policy orientations of the TEEB conference (Tunis, 2011); strategic line on forest financing of the Strategic Framework on Mediterranean Forests; chapter on policy orientations in the publication “The contribution of forests to a green economy in MENA” (Croitoru & Liagre, 2013); policy recommendations and national roadmaps for sustainable forest financing in Algeria, Morocco, Tunisia and Turkey out of the workshop “Sustainable financing mechanisms for the forest sector in MENA” (Rabat, 2013).• Participated in the international workshop “Towards a Sound Financial Architecture for Sustainable Forest Management (SFM): The Role of National Forest Funds” (Turrialba, Costa-Rica, Jan. 2013).• Designed a project component on the improvement of value chains of Non-Wood Forest Products in CPMF countries.• Supervised economic valuation studies of forests goods and services in Morocco and Lebanon.• Designed cross-sectoral capacity development concepts for adaptation to climate change (in particular Forest Ecosystem-based Adaptation) following the OECD methodology, with participation of the ministries of environment, economy and trade, finance, tourism, agriculture i.a. in CPMF partner countries; organized and facilitated related-trainings in Lebanon, Morocco, Tunisia and Turkey.• Fostered intensive collaboration with CPMF member organizations (AFD/FFEM, UNEP/Plan Bleu, Silva Mediterranea/FAO, EFIMED, etc.) in the design and selection of technical cooperation projects.• Participated in the steering committees of partner forestry and biodiversity projects in particular with the following organizations: AFD/FFEM, UNDP/GEF and EU.• Prepared background documents for a EU/GIZ dialogue on the promotion of an Inclusive Green Economy in Morocco.• Supported the design of a south-south cooperation project between Morocco and Costa-Rica (thematic focus on Payments for Ecosystem Services and the valorization of protected areas).• Participated in international forest fora and followed negotiations in : COFO 20th session - 2nd World Forest Week (Roma, Italy, Oct. 2010), COFO 21st session - 3rd World Forest Week (Roma, Italy, Sept. 2012), UNFF 10 (Istanbul, Turkey, Apr. 2013).• Traveled intensively to Algeria, Lebanon, Tunisia and Turkey (3 weeks/country/year in average) to implement project processes and maintain regular contacts with institutional partners and representatives of CSOs.
--	--

Curriculum vitae

Date	11/2009 - 09/2010
Location	Rabat, Morocco
Client/ company	German Development Cooperation (GIZ)
Position	Junior political and technical advisor (<i>International staff, full-time</i>)
Description	<p>In the framework of the Bilateral Program "Nature Protection and Desertification Control" (Budget: 4 M Eur) in support of the High Commissariat for Water, Forestry and Desertification Control (HCEFLCD) of Morocco</p> <ul style="list-style-type: none"> • Launched the first study on the economic valuation of a Moroccan National Park and related PES potential (Case of Tazekka National Park). • Developed project concepts on Community-based Adaptation for sustainable biodiversity management and adaptation to climate change of populations in National Parks. • Created a national working group on Access and Benefit-Sharing in preparation of CBD COP 10. • Supervised studies on Fair Trade potential and the development of the Access and Benefit-Sharing mechanism in Morocco. • Launched a climate-proofing of the National Initiative for Human Development (INDH) – <i>Moroccan National Strategy for Poverty Reduction</i>. • Developed a training concept on the economic valuation of land degradation, targeting the HCEFLCD staff; and operated as trainer in the pilot region Souss Massa Draa. • Performed Financial Monitoring and Human Resources Management in assistance to the Program leader.

Date	01/2009 - 10/2009
Location	Paris, France
Client/ company	PSA Peugeot Citroen
Position	Consultant
Description	<p>Within the Environment and Public Affairs Department :</p> <ul style="list-style-type: none"> • Assessed the car production environmental monitoring strategy in relation to European and French environmental legislations and in consideration of the benchmark of existing practices in the car industry worldwide. • Proposed a renewed environmental monitoring system based on Life Cycle Assessment (proposal approved by the Head of the PSA Peugeot Citroën Production Department).

Date	04/2008 - 12/2008
Location	Karlsruhe, Germany
Client/ company	EIFER (European Institute for Energy Research), Electricité de France (EDF)/Karlsruhe Institute of Technology
Position	Researcher
Description	<p>Within the Environmental Economics Department</p> <ul style="list-style-type: none"> • Analyzed existing external social and environmental costs calculation of large water dam projects financed by international donor agencies.

Curriculum vitae

	<ul style="list-style-type: none"> • Sought to improve external costs calculation methodologies with an application to Nam Theun 2 Hydro-electric project (Lao PDR), based on extensive analysis of environmental and social impact assessments. • Prepared a contingent valuation on the value of fish diversity in the Rhine River. • Analysed economic components of the EU Water Framework Directive.
--	--

Date	03/2007-09/2007
Location	Townsville, Australia
Client/ company	CSIRO (Commonwealth Scientific and Industrial Research Organization)
Position	Research assistant
Description	<p>Within the "Sustainable Ecosystems" Division</p> <ul style="list-style-type: none"> • Conducted an analysis of the implications of limited water availability for Great Barrier Reef catchments economies, based on Multiplier analysis and Input-output table modelling using Queensland regional statistics. • Participated in two surveying projects dealing with "The determinants of well-being in the Whitsunday's Shire" and "The adaptation of graziers to new climate forecasting methodologies" followed by quantitative and qualitative analysis.

Date	08/2006-02/2007
Location	Puerto Saavedra, Chile
Client/ company	Catholic University of Temuco
Position	Consultant
Description	<ul style="list-style-type: none"> • Conducted an agricultural diagnostic in indigenous Mapuche communities (Saavedra). • Prepared and conducted a survey on agro-farming systems/value-chains integrating social and environmental dimensions. • Participated in designing an economic development project in relation with local development institutions (Regional rural development programs financed by the Chilean government and European Union development program "Araucania Tierra Viva")..
