

Yaoundé (Cameroon), 13 March 2013

CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, CUNY Pascal, Director of ONF Cameroun, hereby certify that Jérôme MAURICE, completed all required tasks relating to the mission “**Lom Pangar Hydropower Project – Complementary survey on timber and biomass harvesting potential**” between November 2010 and February 2011.

The tasks were as follows:

- Field review of the project’s area between the confluence (Lom Pangar village, area across the Lom), upstream zones close to the Lom (Bétaré Oya, Touraké) and to the Pangar (Mararaba, pipeline Tchad-Cameroon tracks), in order to facilitate the design of evacuation roads ;
- Forest inventories in the area of closed rainforests next to the Deng Deng National Park;
- Survey of the interest and capacities of the national and international logging companies for timber harvesting in the LPHP reservoir.
- Survey of the softwood’s economic chain of value from Lom Pangar to North Cameroon and Tchad and survey on charcoal’s economic chain of value at local scale.
- Contributions to the design of (i) a timber harvesting plan integrated to the Environmental and Social Management Plan; (ii) a management plan for the forests outside the reservoir, along with a set of propositions to mitigate environmental and social risks linked to timber harvesting and biomass removal.

I confirm that the tasks carried out by Jérôme MAURICE were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. The work performed is therefore satisfactory.

The certificate is issued to Jérôme MAURICE upon his request, to assert his right.

CUNY Pascal

Director of ONF Cameroun
