

Yaoundé (Cameroon), 13 March 2013

### CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, CUNY Pascal, Director of ONF Cameroun, hereby certify that Jérôme MAURICE, completed all required tasks relating to the mission “**Implementation of the City of Paris carbon sink project: 1 Parisien, 1 Arbre**” between January 2011 and December 2012.

The tasks were as follows:

- Assisting the project manager on the technical component: contribution to the technical monitoring of the project, realization of mid-term assessment missions, debating on the strategic orientations;
- Financial component: funding research (environmental sponsorship), production of a business plan, financial reporting;
- Carbon component: support to the development of the Project Design Document for registration under the UNFCCC Clean Development Mechanism of the Kyoto Protocol;
- Socio-economic component: mission for the socio-economic impacts assessment of the project at the end of the first phase;
- Research and Development component: supervision of a study on the diversification of cocoa and coffee plantations with the enrichment by fruit and timber tree species (moabi, safoutier, etc.).
- Training component: several training courses supervision;

I confirm that the tasks carried out by Jérôme MAURICE were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. The work performed is therefore satisfactory.

The certificate is issued to Jérôme MAURICE upon his/her request, to assert his right.

CUNY Pascal

Director of ONF Cameroun
