

Yaoundé (Cameroon), 13 March 2013

CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, CUNY Pascal, Director of ONF Cameroun, certify that Jérôme MAURICE, completed all required tasks relating to the mission “**Timber harvesting and biomass removal plan – Lom Pangar Hydropower Project**” between September 2012 and December 2012.

The tasks were as follows:

- Assess the feasibility of opening new forest roads in the project area (slope and control, identification of river sources) and their potential environmental and socio-economic impact;
- Identification of existing harvesting roads/tracks, potential area to build logyards and deposit places (southern area);
- Organize a field visit with the project’s partner (World Bank, EDC, MINFOF, World Conservation Society);
- Contributions (i) to the detailed timber harvesting plan and biomass removal plan within the reservoir, (ii) to elaborate technical specifications for the operators, especially regarding the environmental and social safeguards that go along with the opening of new access roads.

I confirm that the tasks carried out by Jérôme MAURICE were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. The work performed is therefore satisfactory.

The certificate is issued to Jérôme MAURICE upon his request, to assert his right.

CUNY Pascal

Director of ONF Cameroun
