

Goma, Democratic Republic of Congo, 28/02/2014

CERTIFICATE OF GOOD COMPLETION

To whom it may concern

I, Van Geit Mone, Program Advisor and Support Officer at WWF Eastern DRC, and at the time of the mission Project Manager of the African Program at WWF Belgium, hereby certify that the company SalvaTerra SAS, based in Paris, France, completed all required tasks relating to the mission "**Final evaluation of the EU-WWF "Ecomakala Project – Supply the population surrounding the city of Goma with sustainable fuelwood" - North Kivu, Democratic Republic of Congo**" between April 2013 and June 2013, for a total amount of 23 530 €.

The tasks were as follows:

- *Evaluate the project's logical framework following the Logical Framework Approach: evaluation of results/impacts in relation to the initial objectives;*
- *Draw conclusions about the project and give next phase recommendations.*
- *Special attention has been given to : (i) the role of the local farmers organisations and their motivations to participate in the project; (ii) an evaluation of the real, direct and indirect costs/benefits of the proposed agroforestry plantations for the farmers in comparison with traditional cropping systems; (iii) the replication of Ecomakala system outside the project's boundaries (domino effect); (iv) a review of all technical and economical hypothesis underlying the project; (v) an evaluation of the transport and marketing of charcoal; (vi) the profitability of the plantations, including their carbon component; (vii) the overall sustainability of the Ecomakala system.*

I confirm that the tasks carried out by SalvaTerra SAS were in accordance with the terms of the contract, including the results agreed upon and in respect of the agreed deadlines. My organization is satisfied with their performance.

The certificate is issued to SalvaTerra SAS upon the company's request, to assert its right.

Mone Van Geit
Program Advisor & Support Officer
