- **Studies and research on local land tenure systems:** Cameroon, Chad, Ivory Coast, Madagascar, Niger, Nigeria
- **Design of national or regional land observatories:** Ivory Coast, Senegal, WAEMU area
- **Training of land policy actors:** France, Burkina Faso, Guinea, Central African Republic, Senegal
- **Great ability to work in a variety of institutional environments:** ministries in the North and South (France, Burkina Faso and Guinea), projects (Ivory Coast, Madagascar etc.), international association (the Rural Hub - Dakar), regional integration organisation (WAEMU Commission).

**Specific experiences :**

<i>Country</i>	<i>Dates</i>
Burkina Faso	Nov. 2000 to Feb. 2006 - Dec. 2007 - Nov. 2012 to Dec. 2017 (regional post - WAEMU zone)
Ivory Coast	Nov. 1996 to Dec. 1998 - Nov. 1999 - June to July 2000 - Sept. to Oct. 2018
France	Jan. 1999 to Oct. 2000
Guinea	Since Jan. 2021
Madagascar	March to April 1999 - March to April 2018 - Sept. to Oct. 2018
Mali	May 2001 - June to July 2007 - Nov 2008 - Dec 2011 - May 2012 - Dec 2019
Niger	Jan to Feb 2005 - June 2006 - March 2019 - June 2019 - July 2019 - Nov 2019
Central African Republic	May 2022
Senegal	March 2006 to Oct 2012 (Regional post - West and Central Africa) - April 2013 - Jan to Feb 2018
Chad	March 2019 - April 2019 - July 2019 - Jan 2020

**Professional experience :**

<i>Dates</i>	<i>Location</i>	<i>Position and reference</i>	<i>Description</i>
Since 01/21	Guinea SalvaTerra	Permanent technical assistant, agricultural land expert  Olivier Bouyer <a href="mailto:o.bouyer@salvaterra.fr">o.bouyer@salvaterra.fr</a>	Technical assistance for the elaboration of the agricultural land reform: Support to the technical and administrative coordination of the land tenure component of the Agricultural Statistics and Land Tenure Support Project (ASAF); revision of the reform development methodology; training of Guinean agricultural land tenure actors through 10 thematic training-debate sessions (approximately 180 people); drafting of the 3 legal texts creating the Agricultural Land Tenure Reform Steering Committee; piloting of an important activity to capitalise on 19 field experiences on agricultural land tenure; organisation of a vast multi-actor consultation process (national policy dialogue).
05/22 to 06/22	Central African Republic SalvaTerra	International expert in agropastoral land tenure  Olivier Bouyer <a href="mailto:o.bouyer@salvaterra.fr">o.bouyer@salvaterra.fr</a>	Support for the agro-pastoral land reform process in CAR: analysis of the draft law on the agro-pastoral land code and formulation of 99 substantive observations; training of some 30 people on international land standards and land reforms in West and Central Africa; support for updating the roadmap for land reforms in CAR.
02/20 to 12/20	Chad Netherlands Enterprise Agency	Rural and urban land expert  Rik Wouters <a href="mailto:Rik.Wouters@rvo.nl">Rik.Wouters@rvo.nl</a>	Analysis and amendments to the draft Land Tenure Code: comparative analysis with existing texts in Chad and with international standards; focus on securing customary rights and taking gender into account; formulation of 51 substantive amendments to improve it; presentation of the study at a national workshop.
01/20 to 12/20	West Africa AFD / Land Tenure and Development Technical Committee	Rural land expert and information watch  Mathieu Boche <a href="mailto:bochem@afd.fr">bochem@afd.fr</a>	Development and dissemination of 12 electronic newsletters "West African land tenure news": information watch on rural land tenure in West Africa; development and posting of 216 articles on the Hub Rural website; development and dissemination of 12 newsletters containing 18 news items each.
01/20 to 06/20	Cameroon, Niger, Nigeria, Chad INSUCO	Land expert to support the Head of Mission  Hélène Chéron-Kientéga <a href="mailto:helene.cheron@insuco.com">helene.cheron@insuco.com</a>	Regional research study "Contrasting impacts of the security crisis on land tenure in the Lake Chad region": contributions to the methodological framework of the study, to the literature review, to the development of data collection tools, to the preparation and facilitation of the launching and restitution workshops, to the analysis of quantitative data and to the writing of the report.
12/19 to 01/21	Mali ACK International	Consultant, rural and urban land sector expert  Claude Mauret <a href="mailto:mauret@ackinternational.com">mauret@ackinternational.com</a>	Evaluation of EU cooperation in Mali and preparation of the 2021 - 2027 programming in the land sector (urban and rural): analysis of the general political framework of the sector, of the relevance and credibility of land policies since 2014, of the stakeholders, of the latest interventions of the EU and the TFPs, of the added value of an EU intervention in the sector and recommendations: theory of change, axes, modalities, impacts and scenarios of interventions
10/19	France PERSPECTIVE Institute	Consultant, expert trainer in rural land management  Thomas GILLET <a href="mailto:Thomas.GILLET@institute.com">Thomas.GILLET@institute.com</a>	4-day training course for executives of African land tenure institutions on rural land management: design of training content and materials; facilitation of the training course; topics: land tenure reforms in West Africa: issues, general problems, contemporary dynamics, state of play by country; case studies on land tenure reforms in Burkina Faso and Mali; regulation of rural land markets; management of land tenure conflicts; international reference frameworks

03/19 to 08/19	Chad FAO	Consultant, expert in rural land policies  Angelo TOMASSETTI Tel: +39 06 5705 3226 <a href="mailto:Angelo.Tomassetti@fao.org">Angelo.Tomassetti@fao.org</a>	Qualitative and quantitative study of the effects of the land tenure system on agricultural productivity in Chad: responsible for the qualitative analysis: analysis of the land legislation, of the actual modalities of access to land within the customary and Islamic systems (access to land "ownership" and to the right to exploit the land), of the semi-formal mechanisms for securing rights, of the impacts of land transactions on agricultural productivity, with a focus on gender issues; conduct of two regional workshops to enrich the study.
03/19 to 10/19	Niger French Embassy in Niger	International consultant, team leader  Christophe REILHAC <a href="mailto:christophe.reilhac@diplomatie.gouv.fr">christophe.reilhac@diplomatie.gouv.fr</a>	Formulation of the Rural Land Policy of Niger (agricultural, pastoral, forestry, mining, peri-urban land): responsible for drafting the Rural Land Policy of Niger in interaction with the national technical committee in charge of leading the process and coordinating a team of 3 national experts; formulation of the vision, objectives, guiding principles, political orientations and strategic axes, broken down into 90 measures concerning the institutional and legal framework, mechanisms for securing rural producers (particularly farmers, herders and transhumant herders), the management of State domains and shared resources, the regulation of rural land markets and negative land dynamics, and the links with decentralisation and land use planning
09/18 to 10/18	Madagascar  EASA	Consultant, land expert and decentralisation  Marco VACIRCA <a href="http://www.agriconsultingeurope.be">www.agriconsultingeurope.be</a>	Formulation of the programme "Support to the Financing of Agriculture and Inclusive Sectors in Central Madagascar" (AFAFI Centre): responsible for the formulation of the land component of the AFAFI Centre programme, combining approaches to land certification, land taxation and communal land management: analysis of the context, actors, justification of the Action, elaboration of the logical framework, description of the activities, design of the budget (3 million €) and implementation modalities.
08/18 to 09/18	Ivory Coast  EASA	Consultant, Senior Expert No 1, Team Leader  Riccardo BONACUCINA <a href="mailto:r.bonacucina@aesagroup.eu">r.bonacucina@aesagroup.eu</a>	Carrying out the feasibility study of the national observatory of rural land (agricultural, pastoral, forestry, mining, peri-urban land): conducting interviews with the main actors concerned (ministries, civil society, private sector, local authorities, universities, research); designing the observatory (purpose, missions, stakeholders, mode of governance, status, structure, fields of observation, methods of disseminating results, costs over 3 years, financing); presenting the study at a national workshop; finalising the report.
03/18 to 04/18	Madagascar Agriconsulting Europe S.A.	Consultant, land expert and decentralisation  Francesca PETRONE Tel: +32 2 736 22 77	Identification of the programme to support the financing of agriculture and inclusive commodity chains in Central Madagascar (AFAFI Centre): responsible for identifying the land component of the AFAFI Centre programme, combining land certification, land taxation and communal land management (diagnosis of the situation, justification of the action, proposal of a logical framework and main activities)
03/18 to 04/18	Madagascar Agriconsulting Europe S.A.	Consultant, land expert and decentralisation  Francesca PETRONE Tel: +32 2 736 22 77	Mid-term evaluation of the Agro Forestry programme around Antananarivo (ASA, €16.7 million): responsible for the mid-term evaluation of the Support to Land Reform and Land Tenure Security project (ARSF, €4 million), which is part of the ASA programme; analysis of the following dimensions: relevance, effectiveness, efficiency, sustainability, impacts, coherence, gender and governance.
01/18 to 02/18	Senegal Initiative Prospective Agricole et Rurale (IPAR)	Consultant, team leader  Dr Cheikh Oumar BA Tel: +221 77 633 22 55 <a href="mailto:coba@ipar.sn">coba@ipar.sn</a>	Carrying out a pre-feasibility study for the creation of the National Land Tenure Observatory in Senegal (agricultural, pastoral, mining, forestry, peri-urban and urban land tenure): interviews with the main potential stakeholders (ministries, civil society, private sector, local authorities, universities, research); development of 2 observatory plans (purpose, mission, stakeholders, governance mode, status, structuring, fields of observation, modalities of dissemination of results, financing); presentation of the study during a national workshop and finalisation of the study

11/12 to 12/17	Burkina Faso (regional post)  WAEMU Commission  French Agency for International Technical Expertise (AFETI)	Technical assistant, expert in rural land policies  Dr Moussa DOUMBIA Tel: +226 50 32 86 36 Phone: +226 71 39 76 83  <a href="mailto:mdoumbia@uemoa.int">mdoumbia@uemoa.int</a>	Support to the Department of Food Security, Agriculture, Mines and Environment (DSAME) in dealing with land issues in the framework of the implementation of the Union's Agricultural Policy: design and implementation of the WAEMU regional initiative on agricultural and pastoral land tenure; development of the support project for the creation of a land tenure environment conducive to the development of the agricultural and pastoral sector in the WAEMU area (2016 - 2020); piloting of the feasibility study for the creation of the Regional Observatory of Rural Land Tenure in West Africa (ORFAO); design of the ORFAO pilot operation (2016 - 2020); piloting the design of the ORFAO website; piloting the regional study on rural land markets in West Africa and the tools for their regulation; support for the development of the Regional Programme for the Creation of an Appropriate Environment for the Agricultural Sector (2016 - 2020); development and dissemination of the electronic newsletter "West African Land News": 64 issues, corresponding to 1152 articles written and put online on the Hub Rural website;  Provision of technical support to land policy actors in WAEMU Member States ( <b>the most significant are presented below</b> ):
09/15 to 09/16	Mali		Support to the implementation of Mali's agricultural land reform: design of the implementation strategy and the five-year action plan of the Agricultural Land Policy and the Agricultural Land Law; support to the development of administrative implementation models (2 guides, 4 printed materials, 4 registers, 5 land transaction certificates) and a draft decree
05/14 to 09/15	Mali		Support to the drafting of the Agricultural Land Law of Mali: drafting of amendments to successive drafts of the Agricultural Land Law of Mali.
04/14 to 10/16	West Africa		Coordination of the elaboration of 7 pedagogical sheets on rural land tenure in West Africa: drafting of the 7 ToRs; setting up of a multi-institutional Review Committee; selection of writers; coordination of the Review Committee.
02/13 to 10/14	Niger		Support for the management of the rural land policy in Niger: support for the evaluation of the implementation of the Rural Code of Niger; support for reflections on the evolution of the land policy in Niger; support for the piloting of the study on the capitalisation of land management practices, the elaboration of the roadmap for the construction of land management in Niger and the elaboration of 4 pedagogical sheets on land management.
01/14 to 03/14	Senegal		Support for the capitalisation of land tenure security actions (agriculture, livestock, pastoralism) carried out in the Senegal River Valley over the last two decades: co-writing of the capitalisation document; support for the development of two policy briefs on public support for decentralised territorial management and planning.
