

Curriculum vitae - Alice RABINE

**Agricultural and environmental expert at
SalvaTerra SAS www.salvaterra.fr**

7 years of professional experience

Name: RABINE
Date of birth: 16/11/1991
Nationality: French
Telephone: +33 6 79 01 21 09
First names: Alice, Ana
Marital status: Common-law union
Email: a.rabine@salvaterra.fr
Skype: live:.cid.5e0fa9db407c202f

Diplomas:

Institutions	Dates	Certifications
AgroParisTech (Paris Institute of Technology for Life, Food and Environmental Sciences), France	2012 - 2017	Agricultural Engineering, specialising in Agricultural Development & Comparative Agriculture

Level of languages spoken (1 - excellent; 5 - basic):

Languages	Read	Spoken	Written
French	5	5	5
English	4	3	3
Spanish	4	3	3

Computer skills: Word, Excel & PowerPoint, experience of working with QGIS, R and HEC-RAS (hydrological modelling) and ZWCAD (computer-aided design software).

Main qualifications:

- **Agro-economic analyses using a variety of approaches:** analysis-diagnosis of farming systems (France, Guinea Conakry), socio-economic studies (e.g. evaluation of the risk of overproduction in organic farming, evaluation of the impact of soaring prices), design of farm typologies based on expert opinion; market monitoring (e.g. world durum wheat market); analysis of levers for agro-ecological transition (e.g. transferability of alternatives to glyphosate in arboriculture in the Mediterranean area); feasibility or impact assessment of research projects: market monitoring (e.g. world durum wheat market); analysis of agroecological transition levers (e.g. transferability of alternatives to glyphosate in arboriculture in the Mediterranean area); assessment of the feasibility or impact of agricultural public policies; assessment of the technical and economic performance of producers and methodological expertise for the creation of technical and economic references.
- **Consultation, design and implementation of agricultural and environmental public policies:** support, design and implementation of consultations on public policies (eg: livestock farming, Aromatic Plants, agricultural orientation law); design of public policies in their technical, economic, regulatory and legislative aspects (eg: pastoral measures to defend forests against fire (France-Spain), public intervention in economic or climatic crises, agro-ecological diagnosis); implementation of public policies (e.g. recovery plan, agri-environmental measures, risk management in agriculture), foresight (e.g. Sherpa project, public policy recommendations in rural areas).
- **Support for agricultural and rural development:** support for professional farming organisations in designing strategic projects; advisory needs and tools; facilitation; stakeholder diagnostics (Colombia); project management; training for professional farming organisations and local authorities on agricultural policies and agricultural economy; trained in carrying out carbon balances on fruit and vegetable farms, and in designing plans for planting hedgerows on farms.

Specific experience:

Country	Dates
France	December 2016 to September 2018; February 2020 to September 2023
Guinea Conakry	March to May 2016
Ecuador	May to August 2015
Colombia	October 2014 to March 2015

Professional experience:

<i>Dates</i>	<i>Location</i>	<i>Position and reference</i>	<i>Description</i>
Since 02/20	France Provence Alpes Côte d'Azur Regional Chamber of Agriculture	Agricultural Economics and Policy Officer Agent of public institution Jean-Pierre Bourdin jp.bourdin@paca.chambagri.fr	Regional reference: economic studies, agricultural public policies, technical and economic references in crop production, agricultural risk management, etc. National reference: world durum wheat market, methodologies for producing technical and economic reference Project management; setting up and carrying out studies and assessments (territory, sector, farms); monitoring the economic situation; support for study methodologies and reference production; support for consultancy and facilitation of trade groups; designing, supporting and implementing public policies; consultation; public policy work with professional farming organisations and local authorities.
